Hey Everyone, on September 8th, with your support and encouragement, I will once again go OVER THE EDGE

We all know someone who has cancer, died of cancer, survived cancer. Going OVER THE EDGE is NOT my favorite thing to do and I swore I would never do it again after last year. I was petrified and told everyone NEVER let me do that again. Third time's a charm at 60 years young!

Rocky Mountain MS Gala Review

I am very pleased to have been a part of this wonderful gala for the Rocky Mountain Multiple Sclerosis Center.

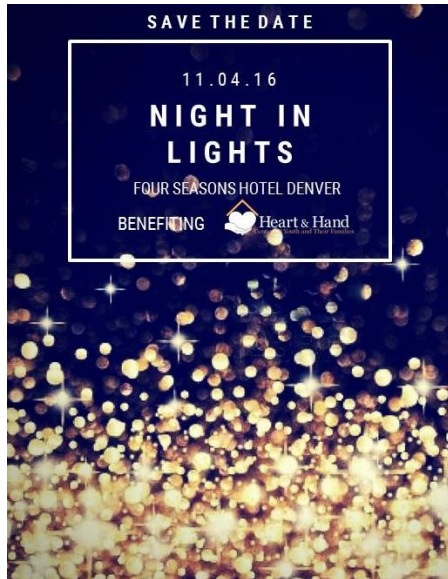

The Rocky Mountain MS Center Gala, held Saturday, Sept. 17 in Denver, welcomed keynote speaker **Kim Ball** - a native Coloradan now living with her family in Paris. Those at the Gala were treated to a special treat - a heartwarming video featuring Kim's young daughter, Sienna. In the video, produced by Kim's colleagues at Ogilvy Mather Paris, Sienna shares what it's like to live with a mom who has MS. The film was such a hit that it was picked up later by **Upworthy**, a media company focused on positive and uplifting stories. In a few short weeks, the video has seen 210 comments, nearly 2,500 shares, and an incredible 475,000 views through Upworthy's network.
